LIMITED SPACE MERIT BADGE PLANNING GUIDE

TROOP: _____ COUNCIL: _____ CAMP: _____ SITE: _____ WEEK _____

Camp only needs a list of the Scouts wanting to register for limited space merit badges prior to camp. **IMPORTANT** - (Class size is restricted for the following merit badges: climbing, horsemanship, shotgun, and rifle. Priority will be given to Scouts based on age and then rank.) Verification of Scouts registered for class size limited merit badges will take place at the Saturday roundtable and will be finalized at Sunday breakfast.

For all other merit badges Scouts should report directly to that merit badge on the first day of the class. Merit badge rosters will be compiled by camp counselors during the first day of each merit badge session.

Scouts should bring the filled out and signed merit badge card to the first session. Scouts who have badges that are mostly complete (partials) should meet with the counselor at camp to arrange completion.
